

Friends of Wilderness Road State Park

The Friends of Wilderness Road State Park is a non-profit 501c3 organization of private citizens, businesses, civic groups and students, all of whom are dedicated to the continuing growth and development of Wilderness Road State Park. We provide assistance to the park and its staff by supplying funds, materials and labor for park projects, including development and upkeep of park facilities, programs and special events. We seek funding from grants, state and local government, and contributions from foundations, businesses and individuals.
